LEAGUE LAUNCHED

SERVICE MEN ORGANIZE "PERSHING COMMAND" FOR PERMANENT WORK

Men who served under the colors during the late world war met last night in Elks' Social Hall to the number of 50 or more and organized Pershing Command of the League of American Defenders. The name "Command" was chosen in preference to Camp or Lodge as better expressing the purpose of the organization. The Committee on Constitution and By-Laws handed in their report, which was as follows:

Constitution

Know All Men by These Presents: That we, American citizens, who served as soldiers, sailors or marines, under the "Colors" of the United States of America, or its Allies, in the late "World War," have this day voluntarily associated and leagued ourselves together for the purpose of forming a "Command of the League of American Defenders" for the San Fernando Valley, of the County of Los Angeles, State of California.

And, we hereby ordain and estab-

SUNRISE EASTER SERVICE

At the sunrise Easter service, which is to be held on the hilltop at the north end of Louise street, this city, Sunday morning, at 6:30 o'clock, J. Chester White will have charge of the song service and Luther Solt, choir leader of the Central Christian Church, will be the soloist. Dr. W. L. Y. Davis of Pasadena, who is the District Superintendent of M. E. Churches, will be the speaker. Everybody is urged to attend and to bring with them their Billy Sunday Song Books.

GOOD FRIDAY SERVICES AT FIRST M. E. CHURCH

The last of the pre-Easter services at the First Methodist Church will be held tonight, when the men of the Brotherhood will have charge.

There will be a number of speakers, under the leadership of Mr. Arthur G. Lindley, President of the Methodist Brotherhood.

This service is the climax of the evangelistic meetings which have been held in the lecture room of the church each evening this week.

Every man in the church has been urged to attend, though the meeting is for everyone. Each man is asked to bring a boy, some other man not in the church, or both.

Last night's meeting was of a missionary nature, the address being given by Dr. J. J. Kingham, who has spent a number of years in India. With his address Dr. Kingham presented a remarkable group of stereopticon slides, showing what has been done along missionary lines among the three hundred and eighty-five millions of the Hindu peoples, and especially some of the new missionary enterprises which the Methodist Church plans to open there during the next five years, as a part of the $105,000,000 Centenary Movement.

NEW CHURCHES

ARTHUR G. LINDLEY PLACING CONTRACTS FOR REBUILDING A. M. E. ZION CHURCH

Arthur G. Lindley, architect, of 342 North Kenwood, this city, has completed plans which have been accepted and is now letting contracts for the rebuilding of the A. M. E. Zion Church at East Pico and Paloma streets, Los Angeles, which, it will be remembered, was burned about three months ago. The arrangement of the interior will provide for departmental work including a social hall and banquet room in the basement with a kitchen and serving room. It will be a better building than before and will be of the mission type with plaster exterior and red roof. A portion of the work will be done by Glendale contractors, viz., the sheet metal work, lighting and ventilating which will be put in by Burket & Goss, who have had contracts on three churches for which Mr. Lindley has made the plans recently.

He is now preparing plans for the Chesbro Memorial M. E. Church in Bakersfield. That will be a $30,000 structure which will contain all the modern equipment for departmental work, including a social hall, banquet room, and graded Sunday School rooms. There will be a concealed pipe organ and indirect electric lighting. It will be of Grecian designs with large columns and pilasters around the outside of the building and will be constructed of brick and hollow tile finished with plaster. It is quite possible some of the Glendale concerns may secure contracts for it.

DREAMS COMING TRUE

PLANS OF J. A. NEWTON ELECTRIC CO. MATERIALIZING IN ENLARGED QUARTERS

J. A. Newton, of the Newton Electric Company, decided a little while ago that he wanted to control the whole of the Ambrosini building in which his electric accessories are housed and sold so he leased the third store and has an establishment numbered 629-31-33 East Broadway.

To accomplish his purpose he had to oust Mr. Banta, the real estate man, but he has found pleasant quarters across the street and does not seem to mind. While he was in the evolutionary period Mr. Newton seems to have felt it would be a good time to remodel the main store as well as the annex, and this he is doing, putting in new show windows with one main entrance between them, reducing the extent of the dividing partition inside to throw the two stores more completely into one salesroom. Then a door has been cut into the annex recently acquired which is to be an Ever Ready Storage Battery Service Station where batteries can be repaired, rebuilt and charged by an expert who will be on duty there all the time. This annex has a garage entrance and exit which makes it possible for machines to enter from Broadway and go out on to Howard. It is an enlargement of business which is in the nature of a venture, but Mr. Newton knows Glendale and its tributary country, he knows its growing needs and believes he is justified and will be sustained in adding this new department.

There will be a tiled entrance to his main store and tiling under the windows which will be considerably larger than of old and come down to within a foot of the walk, and finished in old ivory tints, which will make an excellent setting for the nickel goods to be displayed in the west window, the electric irons, motors, stoves, toasters, coffee percolators, etc.

The east window will be built like a room and to resemble a laundry or kitchen and decorated accordingly. Here can be shown in their proper environment electric ranges, washing machines, dish washers and the like. It will probably be the first of May before all these dreams of Mr. Newton's will become realities which he can share with the public but when they do come true he will probably have an informal reception at which his friends and patrons will be made very welcome.

VICTORY CAMPAIGN

DR. OLIVER WILL TALK TO HIGH SCHOOL AND OTHER YOUNG PEOPLE THIS EVENING

This evening at 7:45 Dr. Oliver will address the young people of Glendale at the Presbyterian Church. This is the last day of meetings except Sunday (Easter) when he will make three addresses. Morning, 11 o'clock; afternoon, 3; evening, 7:45.

Tonight the young people are especially invited to be present. Dr. Oliver will have a great message, on the home question. Come and hear it.

KNIGHTS TEMPLAR EASTER

Easter Sunday is a special day to Knights Templar and the Glendale Commandery will this year go to Eagle Rock for a service at the Eagle Rock Congregational Church at which Rev. Knoff, pastor of the church, will preach the sermon. Every member of the Commandery is expected to attend and all Knights Templar in this vicinity are also invited. The knights will assemble at the Masonic Temple at 10 a. m. Sunday where there will be extra automobiles to convey any who are not otherwise provided with means of transportation.

Easter Sunday has a special significance for this Masonic Order which was established in the twelfth century by crusaders who journeyed to Palestine by horse and on foot to rescue from the Saracens the tomb of the Savior. It was a band of militant pilgrims in which Richard Coeur de Lion, King of England, was a picturesque and prominent figure.

DR. THOLEN REACHES BOSTON

Addison B. Shephard, father of Mrs. Emil Tholen, has today received a telegram from Dr. Tholen announcing his arrival in Boston this morning, stating that he will be sent to Camp Dix for discharge and will probably be able to reach Glendale by next Thursday.

MAYOR WOODMAN'S TRIAL

WILL COMPLETE SELECTION OF JURY TODAY—NO SERIOUS CLASHES BETWEEN OPPOSING COUNSEL

(Special Service to Glendale Evening News)

Los Angeles, April 18.—Captain John D. Fredericks today took personal charge of the questioning of prospective jurors in the trial of Mayor Woodman, whom Captain Fredericks is defending. Each question which Fredericks put was closely watched by District Attorney Woolwine, and the court room momentarily expected a clash. The morning passed, however, without anything which resembled the bitter battle which it was expected would develop.

There were indications that the selection of the jury would be completed before night, and some witnesses had been instructed to be ready to be called today, should they be needed.

ITALY'S ULTIMATUM

WILL THREATEN WITHDRAWAL FROM CONFERENCE UNLESS SHE GETS WHAT SHE WANTS IN TERRITORY

(Special Service to Glendale Evening News)

Paris, April 18.—The "Big Four" today resumed consideration of the Italian territorial claims. It is persistently reported that Premier Orlando will deliver what amounts to an ultimatum on Italy's behalf, declaring that the pact of London, by which Italy was promised certain territorial concessions, and the Allied agreement that one would not make peace until all did, will prevent any peace being made until Italy gets what she wants. The ultimatum will threaten Italy's withdrawal from the conference and refusal to sign the treaty, and that she will then try to enforce an agreement against any of the Allies making peace without all signing.

President Wilson takes the position that the London pact was abrogated by the signing of the armistice.

If the Italian claims are disposed of, the Japanese question will be the next stumbling block. While apparently the Japanese delegates are still without instruction from Tokio on racial equality demands, they are ready to press claims for recognition on their concessions in Shantung Province, which the Chinese oppose bitterly.

BERLIN IN STATE OF SIEGE

GOVERNMENT ARMY OCCUPIES BRUNSWICK AND BITTER FIGHTING IS IN PROGRESS FOR MUNICH'S CONTROL

(Special Service to Glendale Evening News)

Copenhagen, April 18.—Dispatches received here today say a state of siege has been declared in Berlin on account of the strikes which have paralyzed the city.

Copies of the government's proclamation of martial law, signed by President Ebert, were dropped over the city from airplanes.

Herr Eichorn, formerly police president and a Spartacan leader, attempted to escape from Berlin in an airplane. Government aviators forced him to land and arrested him.

The government's army has occupied Brunswick. Bitter fighting is reported in progress for the control of Munich.

ENFORCEMENT OF PROHIBITION

"DRYS" WANT WHOLE MATTER PLACED IN HANDS OF COMMISSIONER OF INTERNAL REVENUE

(Special Service to Glendale Evening News)

Washington, April 18.—The "drys" expect Congress to decide quickly, and at one stroke, who is going to enforce prohibition, according to E. C. Dinwiddie, head of the National Anti-Saloon League. Dinwiddie declared the "drys" want the whole matter placed in the hands of the Commissioner of Internal Revenue for enforcement. He says the "wets" are raising the question of who is going to enforce the law merely "in desperation."

BURGLARS DO QUIET JOB

STEAL $5,000 IN FASHIONABLE RESIDENCE OF LOLA CARRILLO WITHOUT AROUSING FAMILY

(Special Service to Glendale Evening News)

Los Angeles, April 18.—Burglars broke into the fashionable residence of Mrs. Lola Carrillo last night and escaped with $5,000 in money, silverware and cut glass without awakening any member of the family. They took $1,000 from the room where Mrs. Carrillo was sleeping and stole her husband's clothes from his room without awakening him.

BOLSHEVIKI OCCUPY SEBASTOPOL

INTERPRETED TO MEAN THAT ALLIED TROOPS HAVE BEEN EXPELLED FROM THE CRIMEA

(Special Service to Glendale Evening News)

Paris, April 18.—A dispatch to the "Matin" today said the Bolsheviki have occupied Sebastopol. This would indicate that they have virtually driven the Allied troops from the Crimean Peninsula.

TRUSTEES' MEETING

BAKERS ASK ORDINANCE PROTECTING THEM FROM NON-RESIDENT COMPETITION

The Board of Trustees of the City of Glendale met April 17, 1919, at 8 p. m. All members were present except Trustee Shaw. Minutes of the last regular meeting were read and approved. On suggestion of the city clerk a change was made in the minutes on page 103, book 7, in reference to bids, making the same to read "Recommendation of the Engineer of Public Service Department" instead of "City Manager."

The chairman called for oral communications, there being a number of citizens present.

Mr. Alspach addressed the Board stating that he believed there were some citizens present who desired to withdraw their names from the petition for the opening and widening of Sycamore Canyon Road southwesterly from the old city limits on the Child's tract line. Mr. Alspach stated that he did not intend to protest the proceedings; that the city manager had taken up the matter of a change in the proposed route and he desired merely to call the attention of the Board to the matter so that there should be no misunderstanding. The chairman of the Board stated that it is the opinion of the city attorney that no petition is necessary to institute such proceedings and that the

"BONFIRE OF EMPIRES"

UNUSUAL PROGRAM FOR TUESDAY AFTERNOON CLUB TO BE GIVEN AT PALACE GRAND

A very fine and very unusual program has been provided for the next regular meeting of the Tuesday Afternoon Club which will be held Tuesday, April 22d, at the Palace Grand Theatre instead of Masonic Temple. At that time Marion Craig Wentworth, distinguished author and playwright will give her copy-righted picture, "The Bonfire of Old Empires," with an explanatory prologue. Accompanying the pictures will be piano selections by Mrs. L. N. Hagood. This will be very much out of the ordinary and every member is urged to bear it in mind and arrange to come and enjoy it. While it is a program for club members, it will also be available for their friends, the general public being admitted on payment of an admission fee of 50c. All moneys thus received over and above actual expenses will be turned over to local charities.

SUNDAY SCHOOL PARTY

ELTHA HARDING ENTERTAINS LITTLE FOLKS WITH EASTER FESTIVITIES

Miss Eltha Harding of 707 Orange Grove avenue entertained the little folks of her Sunday School class,—the first year primary of the First Methodist Church—with an Easter party Thursday afternoon. She was assisted in the pleasant task by her mother and by Miss Roberta Hopping. One of the diversions provided for the small scholars was an Easter Egg hunt—a chase highly satisfactory to all concerned. There were other childish games which were greatly enjoyed and finally all were seated upon the lawn where refreshments of cake, fruit punch and sandwiches were served; each individual cake carried a tiny chicken as an Easter suggestion. The little ones invited were: Dorothy Clark, Lois Adams, Miriam Clewett, Myrtle Mofield, Thomas Taggart, Walter Wright, Ruth Olson, Bettie Hitchcock, Grace Starkey, Latonie Shiomasu, Doris Adams, Lily Leek, Frances Green, Margaret Pipes, Evelyn Fuller, Rowena Burson, Margaret Fanset, Vivian Malone, Shirley Martin, Mary Jane Neel.

JOSEPH M. SHIVELY

Joseph M. Shively passed away at his home at 131 North Orange street April 17, 1919, at the age of 82 years, leaving a wife, Mary Shively, one son, Edward Shively, and three daughters, Alice Garst of Fairmead, Calif., Sarah Hartman and Minnie Stutsman of this city. Deceased, who had resided in Glendale for 15 years, was a devoted Christian and for many years a member of the Church of the Brethren at Glendale and Park avenues where funeral services will be held Monday afternoon at 2 o'clock with interment at Grand View Cemetery, and Jewel City Undertaking Company in charge.

INDUSTRIAL BANQUET

MOVE STARTED FOR FORMING INDUSTRIAL CORPORATION FOR GLENDALE

R. L. Kent, chairman of the Industrial Committee of the Greater Glendale Development Association working in conjunction with other members of his committee, invited a number of citizens to a banquet at the Masonic Temple Thursday evening, April 17th, at 6:30. About 40 responded to the invitations. The banquet was served by the young ladies of the Methodist Church. The music was furnished by the Elks' orchestra. The meeting was presided over by Roy L. Kent. The main speaker of the evening was B. S. Young, secretary of Industries of California. Mr. Young said the west stands today on the threshold of industrial success. He predicts that Los Angeles county will have the second largest steel factory in the United States soon. He said that undoubtedly Henry Ford will construct a large automobile factory in Southern California in the near future and by so doing he will be able to get shipping facilities to many foreign countries that he cannot now conveniently reach. The speaker said there are now 900 commodities manufactured in Southern California. He said his attention had been called to a proposed industrial site for Glendale on the San Fernando Road near the Broadway entrance. He thinks the location would be an exceptionally good one and would afford publicity advantages to all engaging in manufacturing at this point as it is in view of one of the greatest boulevards in the state, and of the Southern Pacific railway. Upon being asked what commodities might be manufactured in Glendale he mentioned gloves, knitted goods, shirts, toys, perfumes, dyes, silks, furniture, and the aluminum honeycomb, promoters of which are now seeking a location for a factory.

The speaker gave as his opinion that it is unwise for all building to be held up on account of high prices. The stagnation in business caused by such a policy will overbalance the greater cost of buildings on account of high prices. Mr. Young spoke very highly of the interest Mr. Kent had taken in the industrial project for Glendale and said that whenever Mr. Kent visited him he had an intelligent and worthy scheme to present.

Many questions were asked and were very ably answered by Mr. Young. Before the meeting closed steps were taken to form a temporary organization for the founding of an industrial corporation for Glendale. Further facts about this important move will be made public when the organization is completed.

Among those present at the banquet were: J. H. Franklin, Ezra Parker, Capt. D. Ripley Jackson, E. U. Emery, J. G. Huntley, A. T. Cowan, Ernest Bode, R. C. Plume, H. M. Butts, G. H. Bentley, W. E. Hewett, James Webb, C. H. Toll, J. H. French, F. L. Muhleman, H. G. MacBain, Alex Mitchell, J. Herbert Smith, W. F. Wood, W. B. Kelley, H. L. Miller, Dr. R. V. Hogue, H. A. Wilson, C. D. Lusby, C. L. Chandler, W. E. Evans, Roy L Kent, Norton C. Wells, F. V. Owen, Chas. W. Kent, W. P. MacMullin, H. S. Webb, Dr. Henry R. Harrower, J. D. Fraser, W. B. Kirk, G. B. Woodberry.

DEEPENING INTEREST

TONIGHT THE CLIMAX OF POWERFUL PRE-EASTER SERMONS AT CHRISTIAN CHURCH

A fine audience greeted Rev. Clifford A. Cole last evening to hear his sermon on "Apostasy and Backsliding," and words were not minced in denouncing the puerile reasons given by many to excuse their failure to prove faithful to Christ and His church.

Tonight the series of great sermons closes with an address on the subject: "The Lamb of God That Taketh Away Sin." Slides will be shown on the stereopticon depicting resurrection scenes. A great song service will precede the sermon, led by Luther Solt. These song services are simply wonderful and the old church fairly rings with the sweet melodies. A cordial invitation is extended to all to attend tonight's service.

Mrs. J. F. Hearnshaw of 358 West Lomita avenue is giving a children's party Saturday afternoon at which twelve small guests will be entertained in celebration of the birthday of David McNeill of Chicago who is a guest in Mrs. Hearnshaw's home. HER BOY IS HOME

Mrs. Malcolm McLaren, of 303 N. Jackson street, received a telegram yesterday from her son, Robert Lee McLaren, who is with the 362d Infantry, 91st Division, that he had arrived in New York and was at Camp Mills. She hopes to soon have him at home. He went over the top twice, once in the Argonne sector, and had the flu once, but escaped without a mark. Mrs. McLaren's sailor son was discharged over a month ago. She is greatly relieved at getting both her boys back safe and well.

BROOKSIDE PICNICS

Miss Margaret Lusby chaperoned four girls in her Sunday School class on a picnic to Brookside Park Thursday, the girls being Josephine Loughlin, Hilda Brooks, Geraldine Adams and Agnes Brown. They went in the morning and spent the day playing tennis and swimming in the pool, with, of course, a picnic lunch.

The same day Mrs. E. U. Emery filled her car with girl chums of her daughter Josephine who are in the Freshman class at Glendale High and took them to Brookside Park. The party included Evelyn Appel, Virginia Huntley, Dorothy Peart, Evelyn Gregg, Corinne Heacock, Mavis McNary, Dorothy Carmack and Josephine Emery. Swimming, tennis and other outdoor amusements occupied the girls and made the day a delightful one for all concerned.

THE BIRD MAN

A great treat and one which will be very educational as well is to be provided for the children of the grade schools of this city the coming week. Mr. Hutchins, the whistler, who imitates perfectly the bird singers of California, who is also a lightning sketch artist, has been secured to address the children of the schools four times next week in different parts of the city where they can best be accommodated. A nominal fee of 5c will be charged and the entertainment will be confined to grammar school pupils and their teachers. It will be in charge of Miss White, Director of Nature Study in the Glendale Schools, and is a wonderful method of informing the boys and girls in regard to the appearance of the birds so they can learn to know them at sight and also how to identify them by their songs. Mr. Hutchins will visit all the schools Monday and give samples of his bird songs.

WEATHER FORECAST: Fair except cloudy or foggy near the coast tonight and in the early morning. Colder in the interior.

MARSH RETURNS

Rev. W. J. Marsh of Yorba Linda who was acting pastor of the Glendale Congregational Church last year, will preach in that church tonight. While in Glendale Mr. Marsh made many close and warm friends, who no doubt will be out to hear him speak on "The Spirit of Decision." Rev. and Mrs. Marsh came yesterday and remain until Saturday, visiting their many friends here.

Last night's service was largely attended. The address by Miss Miriam L. Woodberry on "Foreign Peoples Within Our Borders" was a masterpiece, replete with statistics, brilliant with striking illustrations, saturated with a warm, deep sympathy. The speaker has visited every corner of our great land and knows our polyglot population. Her years of experience at Ellis Island has given her a wonderful insight into the lives of future American citizens. The audience was told what a large work for the present and future welfare of the "foreign mothers" was being done by the Congregationalists through their schools, colleges, missions and churches.

A most excellent dinner was served before the evening meeting.

Except for the special services of Sunday, tonight's meeting will close the present series.

FIRST REUNION IN 32 YEARS

Mrs. W. E. Heald of 308 East Lomita, accompanied by her two sisters, Mrs. C. C. Pate, of Abilene, Tex., and Mrs. M. Stannard and daughter Fay of Long Beach, in company with Rev. Eugene Haines and family, left by auto early Thursday morning for Strathmore, Calif. Mrs. Heald and her sisters go to be the guests of an older sister, Mrs. S. W. Furnas, this being the first time in 32 years when they could all be together.

Rev. Haines is going on a business trip to look after and arrange for the gathering of his large crop of Valencia oranges on his ranch at Strathmore. They will be gone for several days and all return at the same time.

Mr. Heald says he is now having one grand good time keeping house and getting his own meals.

TRUSTEES' MEETING

(Continued from Page 1)

petition had been circulated merely to obtain the expression of opinion from the property owners. City manager stated that he had taken the matter up with property owners in the vicinity and hoped to be able later to make certain recommendations which would meet the objections that had been stated.

At this time the chairman of the Board declared opening of bids for supplies for the public service department in accordance with advertisement for same. The following bids were opened, read and publicly declared:

Moloney Electric Company, Western Electric Company, General Electric Company, Kuhlman Electric Company, Kelman Electric Company, Pacific Electric Mfg. Co., Electric Specialty Co., Garland-Affelter Engineering Co., Standard Underground Cable Co., Westinghouse Electric & Mfg. Co., Ducommun Hardware Co., Jno. A. Roebling's Sons Co. of Cal., U. S. Steel Products Company, O. E. Thomas Co.

On motion of Trustee Woodberry, bids were referred to Engineer of Public Service Department for recommendation.

A number of citizens representing the different bakeries of the city were present and presented their petition signed by Henry Walsma and five others, requesting the Board of Trustees to take measures to protect the local bakers by instituting a tax on non-resident and outside bakeries and wholesalers who sell bakery goods in this territory. The city attorney stated that it is difficult to frame an ordinance to accomplish the purpose desired by the local bakeries. On motion of Trustee Woodberry, the petition was referred to the city clerk to correspond with other cities having ordinances covering this matter, and report.

A communication was read from J. W. Pearson and others, asking that the incinerator in the rear of 116 W. Broadway be removed. In this case the city manager reported that he had taken this matter up immediately on the request of the petitioners for the removal of the incinerator, which had been complied with. Communication was ordered to be filed.

Report of the tax collector was presented for the week ending on this date showing collections to be $3,213.23; total to date for the season $66,390.86.

The city manager had no report to offer.

The city attorney reported that he had been unable as yet to get agreement signed by the Forest Grove Land Company in reference to matters in connection with the water question in Verdugo Canyon, but had been assured by the attorney for the company that the same would be signed in a few days.

The city attorney had prepared an ordinance amending ordinance No. 274 and repealing ordinance No. 292, which was presented by Trustee Woodberry for first reading and laid over until next regular meeting.

On motion of Trustee Woodberry, seconded by Trustee Jackson, it was ordered that the salary of the city recorder be fixed at $100 per month, beginning April 1, 1919, and that beginning July 1, 1919, the same be fixed at $110 per month.

Bolsheviki

Can you spot a Bolshevik? He may not carry two six-shooters, with a knife between his teeth, but he'll hand you a doleful wail of discontent.

The COUNTRY GENTLEMAN

says: "At a time like this folks naturally divide into two camps—one hopeful, contented, constructive; the other disgruntled, obstructive, destructive."

And when you hear a lot of idiotic talk about how the farmer is being ground down beneath the heel of capital, it's Bolshevik bosh! The farmer himself is the greatest capitalist in the land, with America's greatest business under his control. So we must listen to sanity, not insanity. We must hear the voice of leaders who think straight, who *believe* in the farmer. That's why I want every farmer in this county to read THE COUNTRY GENTLEMAN—a sane, strong leader, a voice for the farmer that is heard every week in the year. I'll send you 52 big inspiring copies—a copy every week—for just One Dollar.

He has prepared a nice home at 414 Vine street, and his mother, Mrs. Catherine Bell, is looking forward with bright anticipations to the arrival of her new daughter. Mr. Bell is an employe of the Basket Factory.

On the last Tuesday of this month, April 29th, the Tuesday Afternoon Club will celebrate the close of the membership contest, now on. It will probably be a tea. All ladies who pay the regular initiation fee now will have the privileges of the club for the balance of the year without paying the annual dues until the opening of the new year, and by joining now their names will appear in the year-book of the club for the coming season.

CHOICE LACE

What is more universally desired by women as an accessory in dress than lace, and what is more tawdry than cheap lace? What can the woman do who has a short purse? The Williams Dry Goods Store seems to have solved the problem, small though its department is, by eschewing the jobber and buying direct from an eastern manufacturer and importer of fine Valenciennes, Cluny and other laces and choosing only such as will always be in taste. These laces are not "cheap," but they are inexpensive, easily within the means of Glendale matrons and ranging in price from 5 to 25 cents a yard. So choice is the stock L. A. visitors often stray in and buy thinking they can do better than at home. 193t1

OFFICIAL PROGRAM OF THE SUNRISE EASTER SERVICE

The official program for the great Sunrise Easter Service to be held April 20th, on top of the noted bird rock is now complete. The address will be by that great pulpit orator and patriot, Rev. Charles Edward Locke, pastor of the First Methodist Church of Los Angeles. The chief soloist of the occasion will be Mme. LA CANADA

Miss Hazel Friday, who had a bad case of influenza and who was taken to Thornycroft Hospital, is getting along nicely and is expected to be well enough to return to La Canada to her home with Mrs. Moses.

Mrs. M. E. Strauss of Waterloo, Iowa, is the guest of her sister, Mrs. L. A. DeTour, and will be here until some time in May. It is her first visit to California and she is enjoying the experience being much pleased with everything she is seeing.

The youngsters of La Canada are enjoying themselves in a variety of ways as there is no school this week.

Nice Easter services have been planned for next Sunday at the Congregational Church, though no outside talent has been engaged.

Two young men have taken possession of the Flintridge Garage, which has been vacant for some time, and opened a grocery store there.

The Hatch place on Michigan avenue has been sold to a prominent mining man from Arizona, a Mr. Myers, who is making additions to the house and otherwise improving the property with the intention of making his home there.

Miss Lulu Green and her sisters, Mrs. Cooper and Mrs. Conner, of Venice, spent a night recently at Chino with the Greggs family, who formerly resided in La Canada and had a delightful visit with them.

Mrs. Nyby and family have returned to La Canada and are occupying their home place on Palm Drive. Mr. Nyby is still employed at the Southwestern Shipyards, where he has a responsible position and is in charge of all boats which are launched.

Robert Cooper, who was recently discharged from service at Fort McArthur, is now working in the Southwestern Shipyards.

SUNLAND

Mr. Ralph Corey, who has been spending the winter visiting his uncle, Frank Corey, left Wednesday for his home in Idaho.

Mrs. Philip Johnson was taken very ill and was taken to the home of her parents in Hollywood.

Mr. Ansley, assistant park commissioner, was in Sunland, Wednesday, looking after the cultivating of the trees. The park looks fine. The oaks are putting forth their new leaves.

Mr. and Mrs. Booth are the proud possessors of a new Ford car.

Welcome for our sailor boy, Paul Lancaster, who returned home Friday night. He has been in Russian waters for nearly a year. He says Sunland looks good to him. About thirty of the Sunland young people went to the home of his parents Saturday evening to welcome him home. They took with them a goodly supply of ice cream and cake and spent the evening in games and music. All are glad to have Paul home.

A picnic supper was held in the park Wednesday evening by the members of the Sunland Baptist Church and the Christian Endeavor in honor of Rev. Jaeger and his wife, who are leaving next week for Colorado. Rev. and Mrs. Jaeger have been with the church for eighteen months and have been a big blessing to the church, especially to the Young People's Society of Christian Endeavor. Following a bountiful spread, a prayer meeting was held in the church, Rev. Jaeger leading, after which a business meeting was held. The financial report showed the church in good condition. Miss M Menita Huse was elected clerk in place of Rev. Jaeger, resigned. The church has not been holding the weekly prayer meeting during the winter months, but will now hold regular weekly prayer meeting every Wednesday evening at 7:00 o'clock.

Mr. and Mrs. Lancaster attended the funeral of Mr. Mitsner, father of Miss Mitsner, former teacher of the Sunland School, who passed away at his home in Pasadena, Tuesday.

The Christian Endeavor has arranged for special services Sunday evening (Easter), at 7:00 o'clock. Rev. Jaeger will preach and there will be special music. Everybody come. Rev. Wester will preach at 11:00 o'clock a. m.

There will be a meeting of the stockholders of the Monte Vista Pipe Line system held in the schoolhouse on Saturday, April 19th, 1:30 p. m.

The Ladies' Aid met Thursday at the home of Mrs. Geo. Huse on Sunland Ave.

Mrs. Edwards of Los Angeles has been spending the week with her father, Mr. Horton.

The petty thieving in the valley is getting to be a great annoyance to the community. Something should be done to bring the thieves to punishment. It is not safe to leave garden tools in one's own yard but they mysteriously disappear. It is very annoying, to say the least.

"The Way of the Transgressor is hard." As the party found out who tried the "get rich quick" scheme in selling oranges on the trees and then before the party could pick them sold them over at 50 cents a dozen.

IT PAYS TO ADVERTISE

Dear Editor:—

A few days ago I picked up an article on the street, and a day or two after saw it advertised for in the Lost and Found Column of the Glendale News, offering a reward for its return to the finder.

I returned the article at once to owner, refused the money reward, but made a new customer, so you see, sir, it pays to advertise.

Yours truly,
F. BOOTH,
